## Announcement travel award

GAeF financially supports students to participate at the European Aerosol Conference 2025 organized by the Italian Aerosol Society (IAS), in Lecce (Italy).

The support consists of the payment of the early bird conference registration fee.

The application together with the acceptance letter of their abstract should be sent to Dr. Mathilde Delaval ([awards@gaef.de](mailto:awards@gaef.de)) no later than 15<sup>th</sup> of June 2025.

To obtain a support:

- a student must be member of GAeF (latest by 30<sup>th</sup> of May 2025).
- the application form must be filled out, and submitted together with a student ID, and a copy of the acceptance letter (oral or poster) received from EAC 2025.

**Important note:** GAeF will directly pay the registration fee with EAC Lecce. GAeF will not pay any individual or institution other than EAC Lecce. Therefore, please select "PDF invoice (= bank transfer)" as payment method for registration and wait with the payment of the invoice until the grant decision is communicated. Applicants who already paid their registration fee cannot be considered for the travel support.

There is only a limited number of grants available. The final selection will be made by the GAeF board based on the abstract reviewed by the EAC 2025 program committee.
